THE VISION

As JMBC moves forward with Gods Plan to build a new edifice, we want to share with you Nehemiah's approach to rebuilding the wall found in the Book of Nehemiah Chapters 1 - 6. "Nehemiah put a lot of work into realizing his vision. Without great leadership and careful planning, the wall may never have been built." According to John Maxwell prior to building an edifice/building or someone aspiring to a leadership position in a ministry of the church, these eight "Rules of Navigation" should be followed. These rules apply to every ministry of the church. These steps are not limited to operative building a brick and mortar structure, but they equally apply to speculative building of ministries.

God has plans and purposes, not just one single plan and purpose, for your life and no matter where you are or what you have done; He still desires to use you for great things, things that you have yet to ponder or imagine. So humble yourself before the King today and seek out what He wants you to prepare for and navigate for His Kingdom.
